Dear Mr. Zimmerman,

Kennedy Road – 11SW-B/CR124
Landslip Prevention – Hong Kong

We refer to your letter dated 25.07.2014 addressed to Transport Department and Civil Engineering Development Department concerning the sub-standard and missing footpath along Kennedy Road.

Please be advised that we had requested Highways Department for implementation of footpath widening works at various locations along the road. Since then, Highways Department has completed part of the footpath widening works near Kennedy Road no. 9A (i.e. Regent on the Park). For the outstanding works at three locations due to geotechnical problems and site constraints, Highways Department has advised study needs to be undertaken to ascertain the details of works. A copy of your letter has been forwarded to Highways Department for direct response to you concerning the present status/progress of the works. If you have any further enquiries, please contact the undersigned at 2829 5427.

Yours sincerely,

(LAM Shu-kee)
 for Commissioner for Transport
